

**Caribbean Regional Trialogue on Pollinators, Food Security  
and Climate Resilience**

**Santo Domingo, Dominican Republic, 4-6 September 2018**

**Triálogo Regional del Caribe sobre Polinizadores, Seguridad  
Alimentaria y Resiliencia Climática**

**Santo Domingo, República Dominicana, 4-6 de Septiembre 2018**

**Promote Pollinators**  
**COALITION OF THE WILLING ON POLLINATORS**  
towards a lively, learning network

## About the coalition

The Coalition was accepted as a Commitment towards enhanced implementation of the CBD, by the high level segment of the CBD COP in Cancun.

- We strive to meet the key messages of the IPBES report on Pollinators, Pollination and Food Production.
- We believe that country-led politics can foster policy measures and innovative action on protecting pollinators.
- We know that national pollinator strategies are an important tool for the conservation of pollinators.

## The Coalition is committed to

- Taking action to protect pollinators and their habitats in order to stop and reverse their decline
- Sharing experiences and lessons learnt in developing, facilitating and implementing pollinator strategies
- Reaching out to a broad spectrum of stakeholders
- Developing research that will help to fill knowledge gaps on the subject of pollinator conservation;
- Mutually supporting and collaborating with each other and with all countries and partner organizations willing to join

## Towards the future

- More members to join
  - => Sign-up event at hle COP-CBD 14
- Support members at COP-CBD 14
  - Knowledge sharing
  - Discussions on perspectives of members
  - Facilitating members
- Newsletter
- Developing the secretariat

## Related developments

- **International Initiative for the Conservation and Sustainable Use of Pollinators (COP-CBD 11/18)**
  - => Action plan 2018 - 2030, facilitation FAO
- **European Pollinator Initiatives**
  - => monitoring methodology & green infrastructure
- **Big Data for Bees**
  - => smart use of open data, satellite and remote sensing
- **UN World Bee Day (20 May)**
  - => awareness raising importance of pollination, specifically bee's
