NIGERIA

Goal	Strategy	Action	Regional/National/Local	Focal Point	Collaborating Organization(s)	Link to National LDN Targets	Timeframe
1. Transform the relationship between society and nature	1.1. Learn from others, gather data, integrate knowledge and diverse values in management	1.1.1. Develop a National data-base for pollination (Generate Base-Data)	National	Lead Champion: Dr. Kabir (SIRK); Co-Actors: Mr. Bereseth Obiote (SMAACIN); Ms. Damiris Uga (WEPF); NWMA;	Federal Ministry of Environment (FME/VE), Federal Ministry of Agriculture and Rural Development (FARMRD), National Bureau of Statistics (NBS), International Institute of Tropical Agriculture (IITA), Forestry Research Institute of Nigeria (FRIN), National Biosafety Management Agency (NBMA), Nigerian Conservation Foundation (NCF), National Biotechnology Development Agency (NABDA), National Institute for Pharmaceutical Research and Development (NIPRD), Small Numerical Conservation Organization (SMANCO)	Target 1: Improve land productivity and soil organic carbon stocks (SOC) in 463,300 ha of cropland and grasslands by 2030 as compared to 2015	21 Days
		1.1.2. Commission a Study on Cateogorization and potential threats to Pollination in Nigeria	National	Ms. Mabel Emmanuel	EMENV, FARMRD, GENRAD	Target 2: Rehabilitate 1,722,600 ha of cropland showing declining land productivity and 10,565,040 ha of cropland showing early signs of declining land productivity by 2030	21 Days
		1.1.3. Organizational meeting with GEF Focal Office for potential funding of a pilot project under GEF 7 replenishment	National	UNWCD, EMO AND IPRES	EMENV, UNDE GENRAD		21 Days
		1.1.4. Engage FMO, UNDRAIL, EU and Swedish on development of Framework for National pollination programme in Nigeria	National	UNWCD, EMO AND IPRES	EMENV		21 Days
		1.1.5. South-south knowledge Exchange with other Countries (Kenya and Ghana)	National	IPRES/FP	EMENV, FMA, NIPRD, SMAACIN		21 Days
		1.1.6. Joining the Promote Pollinators Coalition of the Willing (PromotePollinators.com)	Global	CBP WFP			21 Days
1.2. Link people and pollinators through cross-sectoral collaboration		1.2.1. Creating a National BES-net Platforms	National	CIWA-CBP NFP	EMENV, NIPRD, FRIN, FARMRD	All LDN Targets	21 Days
		1.2.2. Organize Outreach programmes	National/Local	Mr. Bereseth Obiote	SMAACIN, Women Environmental Program (WEP), NWMA, FMA, FME, EMENV, Women Environmental Program (WEP), WAFWA, Wildlife Conservation Society (WCS), NCF		21 Days
		1.2.3. Consultation with National	National	FDI	Center for Environment, Renewable		21 Days

NIGERIA

Goal	Strategy	Action	Regional/National/Local	Focal Point	Collaborating Organization(s)	Link to National LDN Targets	Timeframe
2.0. Improve current conditions for the maintenance of pollinator populations and pollination services	2.1. Manage immediate risks for pollinators	2.1.1. Develop a project concept note to promote the multiplication of pollinators in selected ecosystems	Local	NGOs	EMENV, Centre for Environment, Renewable-Natural Resources Management, Research and Development (CEREMD)	Targets 1 and 2	21 Days
		2.1.2. Development and adoption of parasite- and pathogen-resistant stocks of pollinators	National	FDI	FRIN, NIPRD, NWMA, IITA	Targets 1 and 2	21 Days
		2.1.3. Identify and disseminate strategies for conservation and restoration of pollinator habitat	National	FDI	FARMRD, EMENV, COG, NGDS, FRIN, IITA	All targets	21 Days
		2.1.4. Identify, document and disseminate indigenous nonchemical control methods for control of parasites and pathogens	National	FDI, NIPRD	Department of Pollution Control (DPC), EMENV, COG, NGDS, FMA, FRIN, NWMA, BOKP	All targets	21 Days
	2.2. Enhance resilience	2.2.1. Planting of pollinator forage in selected farms as a pilot program	National	FDI	FRIN, FARMRD	Targets 1 and 2	21 Days
		2.2.2. Identify, develop, and disseminate nature-based solutions to reduce the impact of invasive alien species on pollinators	National	FDI, NCF	NCS, FRIN, IITA Forest Centre, BOKP	Targets 1 and 2	21 Days
2.2. Capitalize on immediate opportunities	2.2.1. Develop and promote methods on bird conservation in Agricultural landscape to improve pollinator services	National	FDI, NCF	NCE, IITA, FRIN, A.P. Leventis Ornithological Research Institute (OPLORI)	All targets	21 Days	
3.0. Transform agricultural landscapes	3.0. Ecologically intensify agriculture through active management of ecosystems services	3.0.1. Identify and document economic benefits and costs associated with ecological intensification	National	FDI	BOKP	Targets 1 and 2	21 Days
		3.0.2. Development of options for how to close the yield-gap in crop production	National	FDI	FARMRD	All targets	21 Days
		3.0.3. Strengthen agriculturally diversified systems	National	FDI	NIP, NIPRD, FRIN, NGDS, COG, BOKP	All targets	21 Days
3.1. Invest in ecological infrastructure	3.1.1. Develop models for nature-based infrastructure and agro-forestry models in Agricultural landscape	National	FDI, NCF	IITA, NCF	All targets	21 Days
